

## FOR SALE. Tetra Hoyer Frigus 600

This unit is now available and ready to be delivered. The Freezer has always been serviced by Tetra Pak engineers and covered by a Tetra Pak Service Contract. The Freezer is offered in an "As Seen" Condition but in Good Working Order.

Contact Phil on 07856 290527 or email on [phil@doxeyprocessengineering.co.uk](mailto:phil@doxeyprocessengineering.co.uk).

Tetra Hoyer Frigus freezers are the perfect choice for medium and smaller size production. Equipped with a self-contained freon refrigeration unit, they are designed for easy installation and mobility in the factory. They are easily operated from a control panel and a hot gas defrosting system provides accurate regulation of viscosity as well as automatic freeze-up protection.

### Features

- Model: Frigus 600
- Capacity: 600 ltr/hr
- Year of manufacture: 2000
- Vertical barrel
- Auto overrun control
- Max overrun: 150%
